October 28th, 2013

Dear President, Partner University

We are pleased to inform you that we are ready to invite applicants from our partner universities to participate in the Oita University Exchange Program for 2014/2015. Eligible applicants are welcome to send their application forms to our university by November 29th, 2013 for enrollment in April 2014 and March 28th, 2014 for enrollment in October 2014.

The Oita University Exchange Program comprises two separate programs (the Nihō Program and the IPOU Program); both programs are open to qualified students from our partner universities for either one or two semesters. Please refer to the application guidelines for details concerning these programs.

We sincerely hope that the relationship between your university and Oita University can further develop in a fruitful way.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Seigo Kitano".

Seigo KITANO (MD, PhD.)

President,

Oita University
